

Step 10: User Stories

The table below lists the user stories I defined for BookNest, grouped by user type and functional requirement (epic), following the standard user story template.

User Type	Functional Requirement (Epic)	User Story Number	User Story / Task	Acceptance Criteria	Priority	Release
Customer	Registration & Login	USN-1	As a user, I can register for the application by entering my email, password, and confirming my password.	I can create an account and access my dashboard.	High	Sprint-1
		USN-2	As a user, I can log in to the application by entering my email and password.	I can log in and reach my dashboard with a valid session (JWT).	High	Sprint-1
	Book Browsing & Purchase	USN-3	As a customer, I can browse and search for books by title or author.	Matching books are displayed accurately based on my search.	High	Sprint-2
		USN-4	As a customer, I can add books to my cart and place an order.	My order is placed successfully and a confirmation is shown.	High	Sprint-2
		USN-5	As a customer, I can view my past order history.	I can see a list of my previous orders with their status.	Medium	Sprint-2
Seller	Listing Management	USN-6	As a seller, I can add a new book listing with details and stock quantity.	The new book appears correctly in my listings and the customer catalog.	High	Sprint-3
		USN-7	As a seller, I can edit an existing listing and update its stock quantity.	Updated details and stock are reflected immediately in the listing.	High	Sprint-3
	Order Fulfilment	USN-8	As a seller, I can view incoming orders for my books.	I can see new orders with customer and order details in my dashboard.	Medium	Sprint-3
Administrator	User Management	USN-9	As an administrator, I can view and manage all registered users.	I can see the full list of users and deactivate an account if needed.	High	Sprint-4
		USN-10	As an administrator, I can manage sellers and moderate their book listings.	I can review, edit, or remove a seller's listing if required.	Medium	Sprint-4
		USN-11	As an administrator, I want a dashboard overview of overall platform activity.	I can see summary statistics for users, sellers, books, and orders.	Medium	Sprint-4
